

About the Authors

Paul and Pam Hainline write together from the conviction that the Scriptures, rightly read, are clear enough to settle every essential question of life — and that young women in particular deserve to be told the truth without flattery and without compromise.

Their books are grounded in careful attention to the biblical text and shaped by decades of living the questions they write about. *Strength and Dignity* is the second volume in their *Your Name Means Everything* series, written for their daughters, granddaughters, and every young woman who is ready to hear what God has actually said.

The next, the world steps back and says —

your turn.

The decisions are real now. And the voices competing for your attention have never been louder.

Your Name Means Everything: Strength and Dignity is a straight-talk guide rooted in Scripture for young women stepping into adulthood. Through fourteen chapters, it walks through the things that matter most — identity, character, purpose, relationships, work, money, and faith — not with opinions or platitudes, but with what God’s Word actually says.

From Ruth’s loyalty to Rahab’s courage to the Proverbs 31 woman who clothed herself in strength and dignity and smiled at the future — this book shows what it looks like to build a life and a name that will outlast you.

“A good name is to be more desired than great wealth; favor is better than silver and gold.”

PROVERBS 31:25

There is a moment, somewhere between the last day of school and the first real decision of adulthood, when a young woman realizes she is not a girl anymore. The world hands her the pen and waits.

What does she write? Whose voice does she trust? What kind of name does she build, and what kind of woman does she become?

Strength and Dignity is the second volume of *Your Name Means Everything* — a Bible-based guide written for the young woman stepping into the years that will set the trajectory for the rest of her life. Fourteen straight-talk chapters across four parts examine identity, character, purpose, relationships, work, money, and faith — not with opinions, but with what Scripture actually says.

*“Strength and dignity are her clothing,
and she smiles at the future.”*

This is a book about becoming that woman — clothed in strength, walking in dignity, and unafraid of what comes next.
